Ann Burton,

Plaintiff,

11-cv-4274

N.Y.S. Department of Labor,

S. Borenstein, J. Myers,

D. Houch, A. Doe, Ms. Glover,

V. Castillo, J. Smith.

Defendants.

Judge Townes,

As you know, pltf is not in receipt of the Courts M+O dated 11/14/11, which is just another fine example of justice in the U.S.D.C.-E.D.N.Y.

On numerous occasions the Court has construed and misconstructed pltf's complaints in favor of the depts. Therefore, pltf is baffled as to why, based on the numerous dept dismissals and denials of Borenstein, Myers, and the N.Y.S. DOL, did the Court not include Houch, Doe, Glover, Castillo and Smith? Pltf did not mention whether any of the depts were or are NYSDOL employees. However, two depts were "terminated," without any

inquiry to p14, which denied p14's constitutional rights, again.

The answers to the Court inquiries, M+O are:

- 1) Other depts are employees
- 2) If the Court capriciously terminated two employees and the NYSDOL, why would the Court waste additional time and money to address the other depts which just as the Court assumed Bonistean and Myers as employees, the Court should have assumed the others were as well.
- 3) Therefore their actions are irrelevant and I submit my appeal.
